Welcome Aboard

Spirit of Elston is a purpose-built dining vessel on the Gold Coast Broadwater, and the only one of its kind low enough to slip beneath the bridges and into the canal system, where the larger boats can't follow.

Downstairs, a climate-controlled dining floor with its own bar.

Upstairs, an open-air sundeck under the sky.

Between them, room for up to 160 guests and a view that changes for the whole event.

A unique premium floating waterfront venue that delivers atmosphere, movement and skyline views.

Dietary requirements & custom menus

Everything is made in-house by our own kitchen team, so your menu can be tailored: gluten-free, vegetarian, vegan, or a different cuisine altogether, such as an Indian buffet. Send any dietary requirements or allergies in writing to our Functions Manager with your final guest numbers, 14 days before your event, and our kitchen will confirm what's possible. Custom menus are quoted on request. All items are seasonal and subject to change. Sea World Cruises reserves the right to substitute items of equivalent value.

Our kitchen handles common allergens, so while all care is taken, a total absence of allergens cannot be guaranteed.
